DATA PROTECTION STATEMENT

Self Space needs to collect and use certain types of information about people with whom it deals in order to operate. This personal information must be dealt with properly however it is collected and used – whether on paper, in a computer, or recorded on other material.

Self Space regards the lawful and correct treatment of personal information as very important to successful operations and to maintaining the confidence of those with whom it deals. Self Space has data protection policies and procedures in place to ensure that all personal information is handled and stored lawfully and correctly.

We fully endorse and adhere to the Principles of data protection, as enumerated in the 1998 Data Protection Act and the upcoming General Data Protection Regulations (2018).

Please sign and submit this form electronically. We will acknowledge this promptly and will also let you know whether we would like to take you to the next stage of the recruitment process.
